# Compensation Understanding

I understand that I have a choice of compensation for my time as a NWSC Recreational Coach. My options are a \$100 payment or a letter documenting my Volunteer Services. For my Volunteer letter I agree to accept the Pre-allotted hours for my age group, or I will fill out the NWSC Coaches' Time sheet. The time sheet will be turned in with my Binder and Gear Bag.

I understand that for U15, I am allotted **two** Assistant Coaches with pay, any additional will not be paid, but may receive a Volunteer Letter upon request. For U12 and below I am allotted **one** Assistant Coach with pay, any additional will not be paid, but may receive a Volunteer Letter upon request.
